Do You Want to Make a Difference Through Your Volunteer Work?

We’d like you to join our Allocation Team!

United Way of Etowah County is in the business of responding to the changing needs in our community. One way to do this is to engage people like you in our allocations process. When you sign up to be on the allocation team, you are part of a team of more than 50 people, all are committed to being responsible stewards of donor dollars.

Members of the Allocation Team comprise an important element of the partnership between member agencies, the community, and United Way of Etowah County. Team members review agency programs and budgets and participate in agency site visits. The Team’s findings will assist the Etowah County Allocations Committee in making its funding decisions and recommendations based on community needs.

The next Allocation Orientation is scheduled for May 24, 2016. Please consider joining our team. Contact Pat Presley at United Way, 256-547-2581 or ppresley@uwoec.org to sign up or, for more information.
