

Alabama ALICE Report Launch Webinar

You're invited to attend the launch of the inaugural *Alabama ALICE Report*!

When: Thursday, June 26th, at 1pm

Where: <https://w.ringcentral.com/register/7672c85b/121c3393/index.html>

Meet **ALICE**: **A**sset-Limited, **I**ncome-**C**onstrained, **E**mployed. In Alabama, ALICE is walking a financial tightrope. Households across the state - regardless of age, ethnicity, or location - are unable to afford the basic cost of living and are only one emergency away from falling into poverty. ALICE workers are our childcare providers, mechanics, home health aides, store clerks and office assistants – all workers we cannot live without.

United Ways of Alabama will unveil its first statewide **ALICE Report**, highlighting the 46% of Alabamians that fall into this forgotten and underserved population. Partnering with United for ALICE, this groundbreaking report utilizes key methodology and research to show the financial hardship for ALICE in Alabama.

We invite you to join us as we launch the ALICE Report and begin the wider community dialogue around the issues this population is facing.

You'll hear from members of the research team, representatives from ALICE in Michigan that have already implemented this report, and even have the chance to meet ALICE. At the end of the webinar, there will be an opportunity for Q&A so that you can get to know ALICE.

Come be a part of raising awareness for ALICE as we collectively show that United is the Way that we improve lives!
